

**Jumpstart** is a 30 minute presentation of the message of Jesus. This environment is for UpStreet kids (k-6th grade) and their parents. Your child will hear a clear explanation of John 3:16. There will be a time for you as parents to ask questions and find out more about what the next step may be for your child. We do Jumpstart quarterly.

**KidVenture** is an event for our UpStreet kids and their small group leaders. We want our small group leaders to form lasting relationships with your kids so that they can be another voice speaking truth into your child's life. We believe that having fun together and getting to know each other outside of the normal Sunday morning environment will help build these relationships. We will do KidVenture twice each year.

**Baby Dedication** is an event for families of kids in Waumba Land (birth-preK). Parents will have an opportunity to make a commitment to be the spiritual leaders of their child, and dedicate your child to God. You can also find out from our Children's Ministry staff about what we do in Waumba Land, and how we want to partner with parents. Baby D happens twice each year.

Parents,

Have you ever considered the fact that the average family spends more time together in a car in one month than they will spend attending programs in the church for an entire year? While many haven't thought of church this way, it is the truth. So what should churches do differently—in order to be more effective?

At **new vintage church**, we fully grasp this fact and realize that due to parents spending more time with their kids, they have the potential to be the greatest influence and that they are the spiritual leader of the home. **new vintage church** believes it is our role to partner with parents in order to provide tools and solid Biblical truths that will help families be the most effective...and ultimately model Christ's love in their home.

As children progress through each Family Ministry environment, the partnership with families looks different. But in each environment, small group leaders teach Biblical principles, model Christ-like priorities, and to prioritize our love for God and love for others. Then we share this information with you so you can reinforce and build on it during your "travel time" between Sundays.

We look forward to partnering with your family in order to equip you to be the most effective spiritual leader of your home.

## Parents, Visit Our Blog

Our Parent Connection Blog is a web resource for parents and volunteers to stay informed on what's happening in our family ministry. <http://nvcparents.wordpress.com>

## Waumba Land (infant/toddler/preschool)

While you are in the adult worship service, your children are experiencing much more than safe, dependable childcare. They are welcomed to a caring environment designed just for them! We want to partner with your family as your child begins to understand who God is and to learn these three basic truths: God made me, God loves me and Jesus wants to be my friend forever.

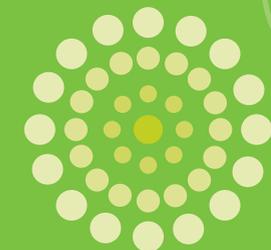

## UpStreet (Kindergarten through 6<sup>th</sup> grade)

UpStreet is the place for elementary-aged kids to meet new friends while their parents are in the adult worship service. We believe the Bible should never be boring, worship can be really loud, and good leaders always care. We want to partner with your family—and together—help your kids know these three basic truths: I need to make the wise choice, I can trust God no matter what, and I should treat others the way I want to be treated.

## InsideOut (7<sup>th</sup>–12<sup>th</sup> grade)

InsideOut is our environment for middle school and high school students that focuses on seeing God build students from the inside out. Every InsideOut involves plenty of fun, live worship, a relevant talk, and small group time. Each small group meets with a consistent set of students and leaders to process the talk, live life together, and find out how they can support each other weekly. We want to partner with your family and work together to help your students focus on experiencing God through Passion, Wonder and Discovery. Our goal is to create an environment where students prioritize their relationship with Christ, influence their friends and experience personal ministry.
